Remarks

So much house to love! Many interior updates and tasteful remodeling has been completed for this amazing 1920's era Colonial home. The new, open kitchen features gorgeous painted cabinets, quartz counters and top-of-the-line appliances. Remodeled baths. Stunningly high ceilings, grand rooms sizes. Full height walk-up attic offers additional space for future expansion. All sited on a bucolic half acre with plenty of space for a future pool. So much is done and move in ready! More projects do remain to be tackled by the lucky new owner and are reflected in the listing price which is priced dramatically under assessed value. Don't miss this opportunity to enjoy this grand home!
